

JOURNAL OF PERINATAL MEDICINE

Official Journal of the World Association of Perinatal Medicine

Ed. by Joachim W. Dudenhausen, MD, FRCOG

Objective

The Journal of Perinatal Medicine (JPM) is a truly international forum covering the entire field of perinatal medicine. It is an essential news source for all those obstetricians, neonatologists, perinatologists and allied health professionals who wish to keep abreast of progress in perinatal and related research. Ahead-of-print publishing ensures fastest possible knowledge transfer. The Journal provides statements on themes of topical interest as well as information and different views on controversial topics. It also informs about the academic, organisational and political aims and objectives of the World Association of Perinatal Medicine.

Topics

The journal covers the entire field of perinatal medicine, obstetrics and neonatology.

Article formats

Review articles, original articles, short communications, opinion papers, letters to the editor, WAPM-Newsletters
